**Course Description:**

**Textbooks:**
Private Security Training Phase 2: Basic, Oklahoma Department of Career Technology Education Curriculum and Instructional Materials Center (2010)

**On-line Resources:**
- [http://www.cleet.state.ok.us/Professional_CertificationL_Levels.htm](http://www.cleet.state.ok.us/Professional_CertificationL_Levels.htm)

**Curriculum Resources:**
- [http://www.okcimc.com/](http://www.okcimc.com/)

**Course Objectives:**
This course will build on what was presented in C.L.E.E.T Phase I. Media relations from a public and private view will be examined. The importance of patrol routines will be taught as well as security duties. A base foundation will be laid for investigative work.

**Specific Objectives**
1. Learn methods and circumstances in dealing with the media in reference to an incident.
2. Define what a Fixed Post position is and learn the duties that may accompany it.
3. Learn various patrolling methods that will be implemented depending on the need and circumstance.
4. Student will be taught the basic investigation skills to use on the job.

1 ODCTE Objective
C.L.E.E.T Phase II

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures:
1. Students are graded on theory and lab practice and performance.
2. Each course must be passed with seventy (70%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
4. Career Major grades established during coursework are a major criteria in successfully obtaining certification.

Description of Classroom, Laboratories, and Equipment:
Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit:
The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:
The student must maintain a grade point average of 2.0 or better.
