**Pre-requisite(s):**  

**Course Description:** This is an introduction to the skills required in the selection and installation of base and wall cabinets and countertops.

**Textbooks:**  
- **Lemley Campus:** *Carpentry, Level 2 (2007 Edition)*, Contren Learning Series, Prentice Hall;  
- **Sand Springs Campus:** *Carpentry, Level 2 (2007 Edition)*, Contren Learning Series, Prentice Hall; *double check*  

**Course Objectives:**

A. **Demonstrate An Understanding of Cabinet Installation.**

1. State the classes and sizes of typical base and wall kitchen cabinets.  
2. Recognize the common types of woods used to make cabinets.  
3. Identify cabinet components and hardware and describe their purpose.  
4. Install factory-made cabinets, countertops, and backsplashes.  
5. Install plastic laminate on a countertop core.

1. *Carpentry Competency Skills, National Center for Construction Education and Research (NCCER)*

**Teaching Methods:** The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

**Grading Procedures:**  
1. Students are graded on theory and shop practice and performance.  
2. Each course must be passed with seventy (70%) percent or better.  
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
CABINET INSTALLATION

Description of Classroom, Laboratories, and Equipment:

Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit:

The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:

The student must maintain a grade point average of 2.0 or better.
