CAREER PREPARATION FOR RADIOGRAPHY
Course Syllabus

Course Number: RADT-0383
OHLAP Credit: No
OCAS Code: None
Course Length: 18 Hours
Career Cluster: Health Science
Career Pathway: Diagnostic Services
Career Major(s): Radiologic Technologist

Pre-requisite(s):

Course Description: This course emphasizes communication skills and specific career knowledge for the health care professional. To support an occupational job search, a functional resume will be produced that summarizes the student's education, personal and professional achievements and work experience. To enhance their professional images, each student will construct cover letters and thank you notes that may be updated or changed as needed. Advanced career modality requirements and preparation will be investigated, as well as the requirements for professional continuing education and opportunities for life-long learning.

Textbooks: None
Other resources:
Blackboard™

Course Objectives: A. Demonstrate the ability to communicate effectively using oral and written communications.
B. Construct a functional resume, cover letter and thank-you note to aid in an occupational job search.
C. Develop leadership skills through participation in Career Tech State Organization (CTSO), and/or community activities.
D. Understand the continuing education requirements of The American Registry of Radiologic Technologists (ARRT).
E. Realize the career opportunities and college credit available for life-long learning in the field of radiologic sciences.
F. Demonstrate responsible and accountable behavior for the radiographer.

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures: 1. Students are graded on theory and lab practice and performance.
2. Each course must be passed with eighty (80%) percent or better.
3. Grading scale: A=90-100%, B=80-89%
4. Career Major grades established during coursework are a major criteria in successfully obtaining certification.
## Description of Classroom, Laboratories, and Equipment:

Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

## Available Certifications/College Credit

The student may be eligible to take state, national or industry exam after completion of the program. Tulsa Tech students may be able to earn college credit based on their knowledge gained at Tech. The process of earning credit through Prior Learning Assessment (PLA) will be determined after completion with Tech and based on certification, credential or knowledge of the subject. See program counselor for additional information.

## College Credit Eligibility:

All Tulsa Tech students (high school and adult) may have the opportunity to receive college credit upon completion of their program. Our College Relations office will work with students regarding the benefits of Prior Learning Assessments (PLA) toward an Associate of Applied Science (AAS) degree or a technical college certificate at area colleges. For more details call the College Relations office at 918.828.5000.
