Comments:

In order to complete all hours of the academic program, students must complete 15 additional hours outside of the scheduled class time between August 15, 2019 and December 20, 2019. Those hours will occur in the classroom, in the lab/shop, or at other locations as assigned. Work Based Experience is contingent on the student meeting the requirements and business and industry availability- this will be face to face hours.
