Comments:

In order to complete the academic program, students must complete all curriculum hours by the program end date. All hours must be face to face and may occur in the classroom, laboratory, or at other locations as assigned. Hours completed outside of the scheduled class time will be supervised, documented, and recorded within the district attendance system. A student may participate in Work Based Experiences upon meeting the stated requirements and business and industry availability. Students, 18 years of age or older, who successfully complete this program will be eligible to sit to the National Registry for EMT's (NREMT) Examination at the EMT level and become licensed in the state of Oklahoma. *Basic EMT Preceptorship hours are accrued concurrent and in addition to class schedule. In order to complete all hours of the academic program, students will complete 36 hours of Work Based Experience (WBE) in a clinical environment. Students will submit a clinical time sheet showing that all clinical hours will be completed within scheduled course start and end dates. Students will receive a written plan for these hours.
