Multimedia: Law Enforcement Training Network (LETN)

Course Objectives: This course will orientate the student with the various tools and equipment unutilized for this field of work. Strategies and methods will be taught that will assist the student in making proper decisions in the field of Executive Protection. Further, the multiple career opportunities will be examined as well.

Specific Objectives

1. Student will learn the various methods that are employed in the personal protection of dignitaries or business people.
2. Students will identify threats of kidnapping, assassination, and violence.
3. Various cases will be examined to show a hands on approach to this line of Law Enforcement.
4. The tools and equipment of this particular trade will be highlighted and explained.
Executive Personal Protection

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures:
1. Students are graded on theory and lab practice and performance.
2. Each course must be passed with seventy (70%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
4. Career Major grades established during coursework are a major criteria in successfully obtaining certification.

Description of Classroom, Laboratories, and Equipment:
Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit:
The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:
The student must maintain a grade point average of 2.0 or better.
