HAIR COLOR I - PUBLIC
Course Syllabus

Course Number: COSM-0442A  
OHLAP Credit: No
OCAS Code: None
Course Length: 45 Hours
Career Cluster: Human Services
Career Pathway: Personal Care Services
Career Major(s): Cosmetologist – Public

Pre-requisite(s):

Course Description: (Hours per student are set by the Oklahoma State Board of Cosmetology licensure guidelines.) The student learns tinting, lightening, special effects, and corrective coloring.

Course Objectives:

A. Demonstrate Hair Coloring.
   1. Demonstrate the correct procedure for hair coloring, including consultation, analysis, and strand test procedures.
   2. Explain the principles of color theory, and relate their importance to hair coloring.
   3. List the classifications of hair color, explain their activity on the hair, and give examples of their use.
   4. Explain the activity of hydrogen peroxide in hair coloring.
   5. Explain the uses of hair lighteners, and give examples of when each type of lightener would be preferred.
   6. Demonstrate the single and double process tint applications.
   7. List preventative and corrective steps to avoid or solve hair coloring problems.
   8. List the safety precautions to follow during hair color procedures.

1 ODCTE Objective
All unmarked objectives are TTC instructor developed.

Teaching Methods:
The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures:

1. Students are graded on theory and shop practice and performance.
2. Each course must be passed with seventy-five (75%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
Description of Classroom, Laboratories, and Equipment:

Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit

The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:

The student must maintain a grade point average of 2.5 or better.
