**Pre-requisite(s):**

**Course Description:** (Hours per student are set by the Oklahoma State Board of Cosmetology licensure guidelines.)
The student learns hair shaping with shears, thinning shears, razors, and clippers.

**Textbooks:**

**Course Objectives:**

A. **Demonstrate Hair Cutting.**
   1. Describe why professional hair cutting is a foundation for hairstyling and other services performed in the salon.
   2. Demonstrate proper hair sectioning and its relationship to professional hair cutting.
   3. Explain the correct use of basic hair cutting implements.
   4. List the various techniques used in hair thinning.
   5. List the basic techniques for cutting with scissors or with a razor.

1 ODCTE Objective
All unmarked objectives are TTC instructor developed.

**Teaching Methods:**
The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

**Grading Procedures:**
1. Students are graded on theory and shop practice and performance.
2. Each course must be passed with seventy-five (75%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
HAIRCUTTING I - PUBLIC

Description of Classroom, Laboratories, and Equipment:
Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit:
The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:
The student must maintain a grade point average of 2.5 or better.
