Pre-requisite(s): Will learn the foundation of haircutting starting with the benefits of hair cutting, consultation, facial shapes and basic hair cutting terms.

Textbooks:

Course Objectives: A. Demonstrate Men’s Haircutting and Styling Principles and Techniques¹

1. Explain the art and science of men’s haircutting and styling.¹
2. Describe the benefits of a good hairstyle.¹
3. Describe a thorough client consultation.¹
4. Define the term “envisioning.”¹
5. Discuss the basic principles of haircutting and styling.¹
6. List facial shapes and profiles.¹
7. Describe physical considerations that help determine the best haircut and style for an individual.¹
8. Define basic terms used in haircutting.¹
9. Identify the sections of the head when applied to haircutting.¹

¹ Oklahoma State Barber Board Objective
² ODCTE Objective
All unmarked objectives are TTC instructor developed.

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures: 1. Students are graded on theory and shop practice and performance.
2. Each course must be passed with seventy (70%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
**Description of Classroom, Laboratories, and Equipment:**

Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

**Available Certifications/College Credit:**

The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

**College Credit Eligibility:**

The student must maintain a grade point average of 2.0 or better.
