INTERIOR DESIGN PRESENTATIONS
Course Syllabus

Course Number: IDT-0399
OHLAP Credit: No
OCAS Code: None
Course Length: 45 Hours
Career Cluster: Arts, A/V Technology & Communications
Career Pathway: Visual Arts
Career Major(s): Interior Design Technician

Pre-requisite(s):
The course covers different methods used in communicating and presenting ideas to clients. Students examine the types of presentations and materials used to make presentations. Students will develop a design project for presentation.

Textbooks:
- Architecture: Residential Drafting and Design by Clois E. Kicklighter and Joan C. Kicklighter (2004)
- Instructor-created materials
- Residential Housing and Interiors by Clois E. Kicklighter and Joan C. Kicklighter (1998)

Course Objectives:

A. Presentation and Material Boards.¹ ²
   1. Discuss how presentation boards, models, and slides can help a client visualize a finished project.²
   2. Design an inspiration board for orthographic drawing.²
   3. Develop presentation board and select materials.²
   4. Identify renderings and material through the use of titles, keys, and legends.²

B. Presentations in Interior Design.¹ ²
   1. Give a professional presentation.²
   2. Design and create a material Board.²
   3. Create necessary model.²

C. Specification and Estimating.¹
   1. Discuss and practice specification writing.
   2. Discuss and practice installation scheduling.
   3. Evaluate cost.
   4. Create a project budget on the selection of materials, finishes, furnishings, labor installation, and fabrication cost.

¹ODCTE objectives
²Priority Academic Student Skills (PASS) – High School Visual Art
All unmarked objectives are TTC instructor developed.
TEACHING METHODS: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

GRADING PROCEDURES: 1. Students are graded on theory and shop practice and performance. 2. Each course must be passed with seventy (70%) percent or better. 3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.

DESCRIPTION OF CLASSROOM, LABORATORIES, AND EQUIPMENT: Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

AVAILABLE CERTIFICATIONS/COLLEGE CREDIT: The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

COLLEGE CREDIT ELIGIBILITY: The student must maintain a grade point average of 2.0 or better.
