National Incident Management System
Course Syllabus

Course Number: LAW-0979   OHLAP Credit: No
OCAS Code: None
Course Length: 15 Hours
Career Cluster: Law, Public Safety, Corrections & Security
Career Pathway: Law Enforcement Services
Career Major(s): Criminal Justice Forensics & Security

Pre-requisite(s): None

Course Description: Incident Command training is being developed and offered for a variety of disciplines, including Federal Disaster Workers, Public Works, Law Enforcement, and Public Health. ICS 200 is designed to enable personnel to operate efficiently during an incident or event within the Incident Command System (ICS). ICS-200 provides training on and resources for personnel who are likely to assume a supervisory position within the ICS. This course introduces NIMS (National Incident Management System) and takes approximately three hours to complete. It explains the purpose, principles, key components and benefits of NIMS.

National Incident Management System (NIMS)

Course Objectives: This course will prepare the student to be able to work within the National Incident Management System (NIMS) in the event of a catastrophic disaster.

Specific Objectives
- NFPA and the National Registry of Emergency Medical Technicians
- Incident Command System (ICS 100, ICS 200)
- National Incident Management System (NIMS) - http://www.fema.gov/nims/

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures:
1. Students are graded on theory and lab practice and performance.
2. Each course must be passed with seventy (70%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
4. Career Major grades established during coursework are a major criteria in successfully obtaining certification.
# National Incident Management System

**Description of Classroom, Laboratories, and Equipment:**

Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

**Available Certifications/College Credit:**

The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

**College Credit Eligibility:**

The student must maintain a grade point average of 2.0 or better.
