### Pre-requisite(s):
(Hours per student are set by the Oklahoma State Board of Cosmetology licensure guidelines.)

### Course Description:
The practicing Master Instructor will be required to teach a number of different courses in the classroom and on the clinic floor. The student will also be required to have a lesson plan with lesson objectives, study guides, quizzes and exams for each course being taught. An evaluation and progress report will be given and reviewed with the student after each classroom and clinic floor lesson. The student will be evaluated on organization, preparation, classroom atmosphere, incorporating classroom discussion, interaction from students.

### Textbooks:
- Oklahoma State Board of Cosmetology laws, rules and regulations book 2009

### Course Objectives:

A. Practice lecturing in front of a class of cosmetology students  
B. Practice speaking on and showing various tools and products  
C. Perform demonstrations for cosmetology students, practicing standing where all students can see and hear you lecture.  
D. Practice using various teaching tools with confidence  
E. Provide lesson plans, study guides, quizzes and exams that thoroughly cover what you will be teaching  
F. Prepare the classroom to be a positive and comfortable environment for students

1 ODCTE Objective  
All unmarked objectives are TTC instructor developed.

### Teaching Methods:
The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.
Grading Procedures:
1. Students are graded on theory and shop practice and performance.
2. Each course must be passed with seventy five (75%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.

Description of Classroom, Laboratories, and Equipment:
Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit:
The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility:
The student must maintain a grade point average of 2.5 or better.
