Course Objectives: The student will be able to describe the key concepts and principles necessary to respond and investigate traffic collisions and conduct traffic enforcement.

SPECIFIC OBJECTIVES

1. Identify various means of traffic control.
2. Identify various traffic laws.
3. Identify and discuss various enforcement tactics and techniques.
4. Describe the effect a change in delta velocity in excess of 35 mph may have on a vehicle’s occupant.
5. Demonstrate how to conduct a low and high risk traffic stop.
6. Demonstrate the procedures for basic traffic accident investigation.
7. Demonstrate the procedures for determining a vehicle’s skid distance.

1 ODCTE Objective
Traffic Management & Accident Investigation

Teaching Methods: The class will primarily be taught by the lecture and demonstration method and supported by various media materials to address various learning styles. There will be question and answer sessions over material covered in lecture and media presentations. Supervised lab time is provided for students to complete required projects.

Grading Procedures:
1. Students are graded on theory and lab practice and performance.
2. Each course must be passed with seventy (70%) percent or better.
3. Grading scale: A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=50-59%.
4. Career Major grades established during coursework are a major criteria in successfully obtaining certification.

Description of Classroom, Laboratories, and Equipment:
Tulsa Technology Center campuses are owned and operated by Tulsa Technology Center School District No. 18. All programs provide students the opportunity to work with professionally certified instructors in modern, well-equipped facilities.

Available Certifications/College Credit
The student may be eligible to take state, national or industry exam after completion of the program. College credit may be issued from Oklahoma State University-Okmulgee or Tulsa Community College. See program counselor for additional information.

College Credit Eligibility: The student must maintain a grade point average of 2.0 or better.
