When you complete the FAFSA, you are applying for the following types of grants: Pell Grant, Supplemental Educational Opportunity Grant (SEOG), and if you are a resident of Oklahoma, you may be eligible for the Oklahoma Tuition Aid Grant (OTAG). SEOG and OTAG funding is limited, therefore, to be considered, complete your FAFSA as early as possible.

Pell Grant

Federal Pell Grant, unlike a loan, does not have to be repaid. Pell Grants are awarded to students who have not earned a bachelor's or a professional degree.

SEOG

The Federal Supplemental Educational Opportunity Grant (SEOG) is additional grant assistance available to students with demonstrated financial need and who are Pell eligible.

OTAG

The Oklahoma Tuition Aid Grant (OTAG) is a need-based grant available to Pell eligible Oklahoma residents enrolled either full-time or part-time.

If you are applying for financial assistance through scholarships, grants, sponsorships or waivers, you should begin the enrollment process well in advance of your program start date. These types of financial aid can take up to six weeks or longer to process.

***Tulsa Tech does not participate in Federal Student Loan Program.**
