

Who | High School or Adult applicants to Tulsa Tech full-time programs that do not have test scores

Where | Tulsa Tech Assessment Center (in the Career Services Center @ Lemley Memorial Campus)

When | **Regular Testing Hours:**
Monday - Wednesday; Friday - between 8 am and 1:30 pm, test must be completed by 4:30 pm
Thursday - between 8 am and 4:30 pm, test must be completed by 7:00 pm

Extended Testing Hours: (January 22 - February 22, 2019)
Monday - Thursday - between 8 am and 4:30 pm, test must be completed by 7:00 pm
Friday - between 8 am and 1:30 pm, test must be completed by 4:30 pm

Special Testing Session: Saturday, February 23, 2019 - must arrive between 8:30 am and 1:00 pm

**Admissions testing is done on a walk-in basis, except for Practical Nursing (PN) applicants*

Before You Test

- » Bring a photo ID; adults must bring a valid government-issued photo ID, high school students may bring a current school ID or use a parent/guardian's photo ID (must be present)
- » Admissions test sessions may last up to 2 hours
- » **NO outside calculators are permitted;** if the test allows for a calculator, the Assessment Center will provide it
- » Test scores are available immediately upon completion of the test
- » Applicants requiring test accommodations, please contact the Assessment Center **PRIOR** to test date
- » Admissions tests may be taken twice between January - June and twice between July - December

Accuplacer Placement | Available for adult applicants to Aviation Maintenance Tech (AMT) and full-time adult health programs **except Practical Nursing**; scores are good for three years

Accuplacer, published by College Board, is an online computer-adaptive test. The untimed test consists of multiple-choice questions that test knowledge of reading and arithmetic skills.

- » **Reading (20 questions)** - Assesses the ability to identify and use key comprehension components, such as main idea, inferences, and supporting details
- » **Arithmetic (20 questions)** - Assesses knowledge related to basic math operations, application, and analysis

The difficulty level of the questions is based on your response to the previous question. An on-screen calculator is available only for selected questions, as set by Accuplacer.

Test of Adult Basic Education (TABE) | Test of Adult Basic Education (TABE)—Available for high school and adult applicants to full-time general programs; scores are good for three years

TABE, published by Data Recognition Corporation, is a computerized, untimed multiple-choice test with three sections:

- » **Reading Comprehension (25 questions)** - Assesses reading skills in practical, real-world application; test items may include informational materials, personal or professional communications, and short literary texts
- » **Mathematics Computation (25 questions)** - Assesses knowledge related to a range of basic numerical operations, including fractions, decimals, and percentages (no calculator allowed)
- » **Applied Mathematics (25 questions)** - Assesses the use of math skills in real world contexts through document and graphic literacy (calculator provided by Assessment Center)

High school applicants are given TABE Level D, and adult applicants are given TABE Level A.

* PLEASE NOTE *

The Tulsa Tech Assessment Office only administers admissions tests for reading and math. These free resources are for informational purposes only. Any associated costs (if any) are the sole responsibility of the prospective student.

ALTERNATE WAYS TO EARN ACADEMIC POINTS (IN LIEU OF TESTING)

1. **ACT or SAT Reading and Math subtest scores** - Tests taken within the last 5 ½ years can be submitted to the Assessment Center. Scores must come from an official score report or from an official school transcript
2. **Associates Degree or Higher** - Degree must be from a regionally accredited school. An official transcript with the degree conferral date must be submitted to the Admissions Office to waive the testing requirement

Alternate tests and degrees cannot be used for admissions to the Practical Nursing program.
All PN applicants must take the HESI A2.
