

RESIDENTIAL ELECTRICAL LICENSING TRAINING

Are you ready to become an electrician and help fill the trade skills gap in America? Here's your first step towards achieving that goal. Tulsa Tech's Construction Industry Board (CIB) approved Electrical Licensing Training certificate programs will provide you with electrical theory and hands-on experience.

- » Apply for an apprentice license before or during your first electrical class
- » Classes prepare you to take the Residential Electrical Journeyman exam
- » Submit successfully completed certificate to the CIB for 252 hour-for-hour credits towards the apprenticeship requirement
- » Find your entry-level job as an electrician's helper & keep working towards your apprenticeship hours
- » For more info, please visit the Oklahoma Construction Industry Board at www.ok.gov/cib
