

COMPTIA® NETWORK+ CERTIFICATION TRAINING

Must Have CompTIA® A+ Certification

Have you achieved CompTIA A+ certification and want to go deeper into networking? Take the next step in your IT career with CompTIA Network+ training at Tulsa Tech.

- » Covers the configuration, management, and troubleshooting of common wired and wireless network devices, and emerging technologies such as unified communications, mobile, cloud, and virtualization technologies
- » Complete both classes to fully prepare for the CompTIA Network+ N10-007 Exam
- » Exams administered for Tulsa Tech students only at the Riverside or Owasso Campus testing facilities for an additional fee
