RADIOLOGIC TECHNOLOGIST

- Perform diagnostic imaging procedures in hospitals and clinics
- Provide patient care while utilizing radiation safety protocols
- Aid physicians in analysis of disease and injury

Who Can Attend?
Adults

Entrance Requirements
As of January 1, 2015, the American Registry of Radiologic Technologists (ARRT) require candidates for certification to have earned an associate (or more advanced) degree from an institution accredited or recognized by ARRT. Applicants will be given preference depending on a conferred degree and/or total college credits earned.
